

Guam eWIC Shopping Guide

A Healthy Foundation for Life

Effective March 2018

WIC Authorized Vendors may not have all items listed and/or pictured in this shopping guide.

Rev. 05/08/2020

WIC Participants' Responsibilities

Before you shop:

1. Check your WIC benefits before shopping. You can view your benefits online at www.ebtEDGE.com, call Customer Service at 1(877)216-3082 (24hrs/7 days a week), at an authorized WIC store, or call your WIC clinic. Information can also be found on the back of your eWIC card.
2. Look for the eWIC sign displayed at authorized WIC stores that accept Guam eWIC.

Shop for your WIC foods:

1. Buy what you need. You do not have to buy all your foods at one time. You can buy foods and quantities listed on the balance summary given to you at the WIC clinic or the balance section of the eWIC receipt.
2. Look for the WIC APPROVED label when you shop.
3. Use the Guam ezWIC App (see page 19) to see if a food is WIC-approved.

At check-out:

1. Have your eWIC card and PIN ready to use.
2. Look for a WIC sign on the cash register to know it accepts eWIC card purchases. You cannot use self-checkout with your eWIC card.
3. Separate your WIC foods from other foods.
4. Before scanning any of the foods, tell the cashier right away that you are using an eWIC card.
5. When the cashier tells you, slide your eWIC card or give your eWIC card to the cashier. Keep your eWIC card for the next time you shop.
6. Enter your PIN and press the "ENTER" button on the keypad.
7. The amount of approved food items and dollar amount of fruits and vegetables you purchase will be deducted from your eWIC account.
8. The cashier will give you a receipt, which you keep to know your remaining balance and the dates benefits expire.
9. If you will be using both SNAP and eWIC at the store, use your eWIC card first and then use your SNAP card.

Keep your eWIC card safe and bring it with you each time you come to the WIC clinic.

WIC Foods Available

The WIC nutrition staff may need to modify your basic food quantities in order to make some of the available WIC foods accessible to you.

WIC Program Participant Rights & Obligations

GUAM WIC PROGRAM'S PLEDGE TO YOU:

Health Information.

- WIC provides helpful tips on nutrition and active living.
- WIC supports and helps with breastfeeding.

Fair Treatment.

- The WIC rules are the same for everyone regardless of race, color, national origin, age, disability, or sex.
- You have the right to appeal decisions made by the WIC Program about your eligibility.
- WIC will contact your healthcare provider to discuss nutritional needs for you and/or your child upon your request.
- If you do not understand your Rights & Obligations, you have the right, at anytime, to ask a WIC staff member to explain them to you.

Healthy Foods.

- WIC provides your family with food benefits to buy healthy foods.

Help getting enrolled in services.

- If you move to a different area, your WIC information may be shared with the new WIC agency.
- WIC provides referrals to health and social services that may help your family.

YOUR PLEDGE TO THE GUAM WIC PROGRAM:

Honesty.

- To not sell or trade WIC food benefits, such as infant formula (the intention alone could be grounds for removal from the program). If WIC determines that you have attempted to sell or had intentions to sell any benefits (food or formula) verbally, in print, or online through any type of social media, you will be subject to disqualification from the program.
- To participate in only one WIC site at a time. If I move, I can ask for a transfer paper. Certification at more than one WIC site will result in disqualification.
- eWIC cards are unique to you and are not to be changed/altered.

Accurate Information.

- Provide the most current and truthful information (WIC staff may verify that this information is correct).

Good Use of the Program.

- Be courteous and respectful towards the WIC staff and WIC vendors.
- Following the rules of the WIC Program is important to avoid being prosecuted, disqualified (for abuse of food benefits, falsification of information, etc.), and/or asked to repay the program.

Protect your benefits.

- Keep your eWIC card safe and secure.
